

# WELCOME TO THE GMA

## Mask Up Georgia's Cities Campaign!

As cities work hard to protect their residents and communities during the COVID-19 global pandemic, the Georgia Municipal Association has remained determined to be a valuable resource for you. In addition to regular COVID-19 email alerts, a coronavirus online resources center, CARES Act Funding support, model ordinances and more, we are now introducing a statewide **Face Covering** campaign. We invite you to join us! This package includes five campaign-branded face masks, which will be sent to all 537 of GMA's member cities to assist with reducing the spread of coronavirus.

### NEED MORE MASKS?

If your city needs more than five masks, please email [gacities@gacities.com](mailto:gacities@gacities.com) to request more masks. Each city can request an additional five (maximum) masks.

### SHARE ON SOCIAL MEDIA!

Please take pictures and selfies in your new GMA mask and share these with us via your social media pages or via email at [gacities@gacities.com](mailto:gacities@gacities.com). If sharing on social media, tag: [@gacities](https://twitter.com/gacities) (twitter) and [@Georgia Municipal Association](https://www.facebook.com/georgiamunicipalassociation) (Facebook). You can also use the hashtags: **#GaCities** and **#MaskUpGaCities**.

*Please allow your Mayor, City Manager and City Clerk (if applicable) to be the priority to receiving these masks.*
