8. Project Support

All letters of support/evidence of need must be included **electronically** with the request submission. Due to the delay of Senate mail, letters sent to the office may arrive after the Senator has determined which projects to put forward to the Appropriations Committee.

Support examples:

- Letters of support from elected community leaders (e.g. mayors or other officials);
- Press articles highlighting the need for the requested Community Project Funding;
- Support from newspaper editorial boards;
- Projects listed on State intended use plans, community development plans, or other publicly available planning documents; or
- Resolutions passed by city councils or board

If your letter/map/other supporting documents do not fit on the online form, please send additional documents to appropriations@warnock.senate.gov.

Due to the high volume of requests, please do your best to include all supporting documents for the same requestor (such as City of Cityville) on the same email.
